

REMARKS

Claim 5 was objected to because of an informality and has been amended to obviate the objection. Accordingly, Applicant respectfully requests withdrawal of the objection.

The Examiner indicated that the continuing data was not disclosed in the specification and has suggested that it be added. Applicants respectfully point out that the continuing data was already provided in an Application Data Sheet filed in accordance with 37 CFR §1.76, which is sufficient to satisfy the cross-noting requirements of 37 CFR §1.78(a)(2). Accordingly, it is not necessary for the specification to be amended to contain the continuing data.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 16-0820, our Order No. NGB-41083.

Respectfully submitted,
PEARNE & GORDON LLP
